

January 22, 2010

Dear Parents and Guardians,

Daniel Webster School is pleased to offer the After-School Enrichment Program for children in third, fourth, and fifth grades. This exciting program is scheduled to begin on Wednesday, February 24, 2010 and will run six consecutive Wednesdays, from 3:00 to 4:00 PM. There are a total of nine prospective courses, but because this is a tuition-based program, enrollment numbers will determine final class offerings. The anticipated tuition cost will be \$50.00 per student for each of the following subject areas:

- * **THE HOLIDAY CAFE** (easy to prepare foods for the holidays)
- * **SEWING IS FUN** (hand and machine sewing techniques)
- * **SCIENCE IS COOL** (fun science experiments)
- * **LEGO-DACTA** (invent and build devices with Lego blocks)
- * **PING PONG** (rules, strategies, and skills of ping pong)
- * **CHILDREN'S THEATRE** (drama through games)
- * **FUN WITH YOGA** (relaxing Yoga techniques)
- * **FUN WITH KNITTING** (basic knitting techniques)
- * **SCULPTURES AND MORE!** (creating sculptures using different materials)

Application materials will be sent home on Friday, January 29, 2010 and should be returned as soon as possible. Classes will be filled on a first come, first serve basis. The staff at Daniel Webster School looks forward to providing all participants of the After-School Enrichment Program with a very rewarding experience.

Sincerely,

Leslie Scollins
Program Director
