CORI Forms

The District is entering the three-year cycle on Volunteer CORI's. Per state law, ALL volunteers will need a new CORI, even if the CORI was just done in June.

The CORI form is available on our website, under 'Important Links & Documents'. Please print and complete the form at home, then come to the school office with your license. Each person applying for a CORI must bring in their license. You are not allowed to bring it in for someone else. A copy of your license will be made and the completed form will be forwarded to the Superintendent's Office.

Thank you for your attention to this matter.
