Teacher Representative  
Community Member  
School Committee Representative

## **MARTINSON ELEMENTARY SCHOOL MISSION STATEMENT**

The mission of the Martinson Elementary School is to provide a quality, equitable educational opportunity for all students, to respect individual differences and abilities while promoting individual excellence, to ensure a safe and secure environment and to prepare each student with the knowledge and skills necessary to pursue lifelong learning as a productive, responsible member of the community.

## **MARSHFIELD PUBLIC SCHOOLS MISSION STATEMENT**

Marshfield provides a safe, healthy and collaborative learning environment that fosters respect and responsibility, empowering all to achieve their maximum potential

### **CORE VALUES**

We believe in.....

- Respect self and others
- Hold and reach high standards
- Promote collaboration in the school community
- Employ comprehensive approach to continuous learning
- Embrace innovative practices
- Demonstrate responsibility
- Ensure a safe and healthy environment

Ms. Robynne Ryan-Lambert	Dir. Project Reach

## **GENERAL INFORMATION & PROCEDURES**

### **SCHOOL HOURS**

School begins at 9:30 a.m. and ends at 3:30 p.m. on Monday/Tuesday (Cohort A) and Thursday/ Friday (Cohort B). On Wednesdays (all remote), school begins at 9:30 a.m. and ends at 1:15 p.m. Please note that every Wednesday is remote and an early day for the elementary schools for teacher planning, conferences and staff development.

General office hours are from 8:10 a.m. to 4:10 p.m. A telephone message service is available before and after office hours. **Office staff is on duty until all students are off the buses in the afternoon.**

### **ARRIVING EARLY FOR SCHOOL**

If a student needs to arrive early, it cannot be before **9:25 a.m.** For the safe supervision of the students, children arriving at **9:25 a.m.** are to wait in the main lobby and may not go to their classrooms until buses arrive.

### **PARKING**

**Please park in visitor parking lot to the right of the school entrance.** Do not park in the Fire Lanes.

### **BICYCLES**

Children attending Martinson School in grades 3, 4, and 5 may ride bicycles to school except in bad weather. A note from parents giving their child permission to ride their bicycles to school must be sent to school at the beginning of the school year. This note will be kept on file for the entire year. In addition, each child must be in compliance with state law requiring cyclists to wear helmets while riding bicycles.

### **LOCKERS**

Children in grades 1 – 5 will be assigned a locker that may be shared with another student. The primary purpose is for storage of outerwear and backpacks. It is the student's responsibility to maintain a clean locker. Please remember all lockers are school property and should be treated as such. Students may not place stickers of any kind on school lockers/property

## **FAMILY VACATIONS DURING SCHOOL TIME**

Parents/guardians are **STRONGLY** discouraged from taking students out of school for family vacation. Classroom instruction cannot be duplicated. Family vacations during school time are unexcused absences.

## **NEWSLETTERS**

The Principal sends home a weekly newsletter, spotlighting upcoming events, important school issues and school-wide events, as well as updates from our school organization and general Marshfield community. Periodically during the school year, homeroom teachers send home letters and notes regarding classroom information.

## **WEBSITE**

Our district and school website can be reached through [www.mpsd.org](http://www.mpsd.org). Click *schools* then *Martinson Elementary School*. Our school website provides enhanced communication between school and home.

## **IF YOU HAVE A PROBLEM**

The staff at Martinson Elementary School is concerned about your school problems. Identifying the correct person to discuss your concern with is key to achieving a prompt resolution. Generally, the best place to start in finding a solution to your problem is at the source. When your concern is about your child and his/her educational program, your first step should be to contact the teacher. If you feel the situation needs further attention, then call your building principal. The teacher and the principal, as trained professionals, are interested in the welfare of your child, and most problems can be satisfactorily solved at this level.
