## CORI'S

**PLEASE NOTE: If you are planning on helping in either the classroom or on Field Trips you must make sure your Cori is up to date as of this fall. Everyone must be recoried.**

## *Nurses Corner*

Germs spread quickly and easily at the elementary level, so please observe the 24 hour health policy with contagious illnesses (such as fever, strep, bacterial conjunctivitis, and anything GI) and it is very helpful to notify the school nurse directly with absences related to illnesses.

Please be sure your child's immunizations and physical exams are up to date, if you have not done so already please provide the most recent copy to Nurse Mudge.

Vision and Hearing screenings will begin soon in the nurse's office for all students- if you have any concerns or questions about the process please, call 781-319-3985.
