Nurses Corner

Annual Vision and Hearing screenings have begun in the health office this week. Each day one classroom will be screened until all students have been completed.

During this time we will be having an informal & brief discussion about the concept of wellness & taking good care of ourselves by using healthy ways to avoid feelings of stress. Students are encouraged to start thinking about their own physical and emotional well-being, and also to come up with strategies to promote healthy choices.

Please contact Nurse Mudge @ 781-319-3985 if you have any concerns or questions about the process. Only abnormal findings will be reported directly to parents.

First box tops deadline is October 24. Please send yours in a small bag marked with your child's teacher's name. The classrooms are working towards pigs for the pig races at the end of the year!!

Save the date - MES PTO is happy to share that we will have a shopping day at Toy Box in Hanover on November 15. On this date you can shop in the store and the Toy Box will graciously give back 20% to MES. Look for more information in the coming weeks!
