2016

Principal's News

September flew by, the chill is in the air, and October is upon us! Thursday is Open House from 6:00pm-8:00pm. You may park in any parking lot including the back lot near the gym. Please do not park in the Fire Lane.

MES has lots of school spirit and to show our team spirit we have Red Sox Spirit Day on Thursday as they are AL East champs and NE Patriots Day on Friday to celebrate Tom Brady coming back to the field.

Finally, reading is a skill for a lifetime. Make sure you and your children take time to read. It can be a book, magazine, and comics, anything that engages and creates a love of reading. Jim Trelease is an author and huge proponent of reading aloud to your children. He no longer speaks publicly, but here is the link to his website <http://www.trelease-on-reading.com/>

Head Lice Alert: Your cooperation is requested in checking your child's head/hair periodically for head lice. Although head lice carry no risk of disease it is a communicable school issue. If it is discovered in your child's classroom a notice will be sent home. There is an article with great information and several options for treatment and prevention. It is titled Head Lice and is downloadable from www.pediatircs.aappublications.org Volume 135, number 5, May 2015

Please contact Nurse Mudge at 781-319-3985 anytime regarding head lice screenings or treatment.

If your child is in 4th grade, please send in a copy of their most recent (2016) physical exam.
