Weekly Update

Oct. 28, 2018–
Nov. 3, 2018

PRINCIPAL'S NEWS

The children are working on two important service projects at this time – UNICEF and Veteran's Care packages. They are collecting loose change or doing chores to raise money for UNICEF. This is a kids helping kids project. The other project is creating care packages for the homeless veteran's. Each grade has been assigned items and everyone is asked to write a special note to put in the bag. Please use first names only if your child wants to sign the note. All the students will build the care packages on Monday morning November 5th. Any support is greatly appreciated!

Have a wonderful week!

Nurses Corner

Vision and Hearing are still in process this week at school- if you have any concerns about this, or any of the school screenings- please contact Nurse Mudge 781-319-3985. Students are urged to be mindful of healthy habits in order to avoid illness, by discussing the importance of frequent hand washing.

"Soap is to the Body, as Laughter is to the Soul."

As the weather is changing, please have your children dress in layers. The building can be still be quite warm in some areas, but students should have proper clothing that will keep them warm for outside activities and recess. Sneakers are also strongly encouraged for safety reasons at recess.
