It is strongly urged to keep long hair tied up, and to remind your children to not share hair accessories such as brushes, hats and helmets. Please contact Nurse Mudge at 781-319-3985 if you have any concerns or questions.

Vision and hearing screenings are still in progress for all students at this time. Only abnormal findings will be reported to parents/guardians.

Please submit updated annual reports of immunizations and physical exams for your child's health record.

If your child is absent (in addition to notifying the front office for safe to school program) a written document should accompany the student upon returning to school indicating the reason for the absence.

Greetings,

The Marshfield Police and the Massachusetts State Police will be working together again this year to host the 2nd Annual **Cops for Kids with Cancer** fundraiser at Mama Mias on Careswell Street in Marshfield. The date of this event is Thursday, November 17th from 7:00 p.m. until closing.

The community and businesses were incredibly generous last year helping raise over \$18,000 in our first year! This year there truly is a face to our cause as Tommy Scardinia, a 9 year old Marshfield resident, has been battling cancer since early last summer. We were able to assist Tommy and his family thanks to the money you helped raise last year.

I'm reaching out to ask again for your help. I know times are difficult and money is tight. If you are able to offer any assistance to this cause in the form of money, gift certificates, volunteer efforts, etc. please let us know.

Please reach out to Lieutenant Shaw if you are able to help us out this year. His number is 781-834-6655 ext. 265 or email him at ashaw@marshfieldpolice.org.

Thanks,

Phil
