## Nurses Corner

Any absence related to illness and exceeding 3 or more days, must have a Dr.'s medical note of clearance before returning to school.

If you have any concerns or questions about attendance illness policies- please call 781-319-3985.

With the weather pattern changing, it is recommended to dress in layers. Inside the building can become quite warm throughout the day, but students are encouraged to have appropriate outer gear for recess.

Please be sure your child brings water to stay well hydrated. The heat in the building is dry causing throats to become irritated.

With the holiday season approaching, I would like to take the opportunity to extend my sincere gratitude to the MES community. It is my privilege to care for such an amazing group of students here at school- each one so special and unique in their own way. It is a pleasure to be their school nurse! I am also very appreciative to all of the MES families and the PTO staff for continued generosity and support in the Health Office. Thank you! Carolyn Mudge
