PRINCIPAL'S NEWS

February 6th is the 100th day of school, which is a mile marker for students and teachers. There are many celebrations of learning that day. I especially enjoy my time with Kindergarten and 1st Grade as we count to 100 in many different ways.

As Valentine's Day approaches I would like to remind you that MES adheres to the MA Healthy Celebration Guidelines and there are many students with food allergies therefore Valentine's Day cards with candy or sweets are discouraged. Thank you for your support.
Have a terrific week!

CORI CHECK

PLEASE NOTE: If you are planning on helping in either the classroom or on Field Trips you must make sure your CORI is up to date as of this fall. Everyone must be re-CORId.

Nurses Corner

BMI screenings have been completed this week- please contact the health office 781-319-3985 if you have any questions or concerns about this, or any of the other mandated school screenings. I am happy to discuss the importance of all health screenings done to promote children's health and wellness.

It is cold and flu season! Students at school are encouraged to practice healthy habits including the importance of hand washing, getting plenty of rest and hydration to prevent the spread of germs. If you are uncertain about any specific symptoms, absence protocols or return to class policy- contact Nurse Mudge.

The MES Health Fair will take place on Friday 2/16/18 this is a student-driven school-wide event that is hosted by Nurse Mudge. Displays and activities will include oral hygiene, nutrition, hand washing, exercise and safety. The goal is that students will have fun while learning the importance of health.

FROM THE LIBRARY

In an effort to keep the library at your fingertips, I wanted to make sure everyone knew that you can access the catalog of available books by going to

libraries.mpsd.org

Simply choose the link for Martinson. You can search specific books in the Catalog or you can browse lists of books by clicking on "Destiny Quest" or "Resource Lists".

Give it a try and let me know if you have any questions or requests!

Thanks,
Kristine Jelstrom-Hamill

PTO NEWS

MES PTO would like to extend a huge thank you to Becky Nutley for coordinating our recent comedy night and to all those who attended and contributed to the evening via raffle donations. It was, by all accounts, a great night and a fun way to raise funds for PTO!

Some upcoming "save the dates":

February 16 is our next Box Tops deadline! Please send in those clipped Box Tops!

March 23rd is the Talent Show - Thank You to Robin Cahill and Lindsey VanKauwenberg who did the coordinating!

We will hold another fundraiser at SkyZone on March 29th. Details to follow.

April 23rd is town meeting! As many of you know, full day kindergarten has been proposed in next year's budget! This proposal needs our support at town meeting to pass!

As was previously noted, please be on the lookout for further info and voting instructions for the request of PTO to fund a Chrome Boom cart.

Please consider getting involved in PTO next year! Most board positions will be open!!!!
