If there are any concerns or questions regarding this mandated screening- please feel free to call Nurse Mudge at 781-319-3985.

The next screening will be for students of the 5th grade only. Postural screening is a process to detect possible curvatures in the spinal column- scoliosis. This will take place after April vacation.

Students have been encouraged to be sure they have a healthy snack each day at school- a good guideline to follow is to make the snack from one of the 5 food groups: such as fruits, vegetables, whole grains, protein and /or dairy. Also be sure your child is well hydrated. Young children can easily become dehydrated causing feelings of fatigue, nausea or other symptoms such as headaches.

PTO NEWS

Mark your calendars for Martinson night at the Venus! On Thursday, March 30 the Venus will donate a portion of proceeds to MES PTO. Thursdays are the popular "Singo" at Venus - rather than having numbers on bingo cards there are names of songs, this is a very popular event for families at the Venus so please mark your calendars and plan on coming! A flyer will be coming home soon.

Book fair starts March 13th and our librarian is still in need of volunteers to help set up, decorate and assist during the week; if you can lend a hand please reach out to either the librarian or the MES PTO. Also coming up are the talent show on March 24th and arts night on April 6th. Please be on the lookout for a sign-up genius to assist in helping our art teacher hang the children's artwork throughout the school.
