Please be sure that students dress for varying temperatures during the school day. Outdoor recess is typically held each day (unless the temperature dips below 21 degrees), children need appropriate gear for winter elements. Inside the building the temperatures can run very warm. Students have been advised to wear short sleeved shirts/tops and also have a sweatshirt (especially on Phys Ed days when they are extra active).

Attendance: Please call in to the school each time your child will be absent. Emails to teachers are not always relayed to the front office staff for the safe to school program.

PTO NEWS

Mark your calendars for Martinson night at the Venus! On Thursday, March 30 the Venus will donate a portion of proceeds to MES PTO. Thursdays are the popular "Singo" at Venus - rather than having numbers on bingo cards there are names of songs, this is a very popular event for families at the Venus so please mark your calendars and plan on coming! A flyer will be coming home soon.

Book fair starts March 27th and our librarian is still in need of volunteers to help set up, decorate and assist during the week; if you can lend a hand please reach out to either the librarian or the MES PTO. Also coming up are the talent show on March 24th and Arts Night on April 6th. Please be on the lookout for a sign-up genius to assist in helping our art teacher hang the children's artwork throughout the school.

WE LOVE
OUR VOLUNTEERS

With a *Community of Respect* serving as one of the Marshfield Public School District's (MPSD) areas of focus for the 2016-17 school year, we gladly join Chief Tavares and the Marshfield Police Department (MPD) in supporting "High Five Friday" which will take place on Friday, March 24th as our students arrive at their respective schools.

The MPSD and the MPD have a wonderful relationship and beyond having a School Resource Officer at the high school, we are fortunate to have liaison officers at each of our schools for many years now. They are a bridge between the school and the police and our students and staff welcome the support they receive from the MPD.

Many times throughout the school year, members of the MPD meet and greet the students at our school but on "High Five Friday" they will greet the students upon arrival and give them a high five to start their day off on a positive note. This is a tremendous way to build on the sense of engagement that already exists between the schools and police and is in line with our focus on a *Community of Respect*.

We look forward to "High Five Friday" and thank Chief Tavares and the entire MPD for their continued support of our schools and for the collaboration we have with them in ensuring the safety of our students and staff.
