The Grade 3 Science Fair was terrific! We have so many budding scientists at MES. Mrs. Debyah's class and Mrs. Trudeau's classes did a fine job in their performance of "This Old Gingerbread House".

This coming week is April vacation. The staff and I wish you a relaxing week. See you on April 24<sup>th</sup>!

## *Nurses Corner*

There has been an increase incidence of strep throat in the last 2 weeks. In addition to fever (symptoms vary) but may also include nausea, and GI complaints and/or headaches. Please notify the nurse if your child has been diagnosed with strep throat.

Attendance: 2 steps are requested when your child is absent.

- 1) Notify the front office for the Safe to school program (call in each day that your child will be tardy or absent from school)
- 2) Send in a note (this goes to both the teacher and the nurse) with your child following any absence or late to school arrival. Please indicate if your child stayed home with an illness, and any information that may be helpful upon returning to class.
