Attendance: 2 steps are requested when your child is absent.

- 1) Notify the front office for the Safe to school program (call in each day that your child will be tardy or absent from school)
- 2) Send in a note (this goes to both the teacher and the nurse) with your child following any absence or late to school arrival. Please indicate if your child stayed home with an illness, and any information that may be helpful upon returning to class.
