Nurses Corner

Spring has sprung and we've seen an increase in Ticks, please be vigilant in thoroughly checking your children (& remind them also to self-check) after coming in from outdoor activities, especially the lower extremities, hair/ head region& behind ears. Flip Flops are discouraged for safety reasons at recess, they can easily cause tripping, falls, and contribute too many injuries at school.

5th graders will soon be participating in Postural screening at school for early detection of scoliosis. If you have any concerns or questions about the process (or any of the school screenings) please call Nurse Mudge directly at 781-319-398
