Nurses Corner

If you have not done so already, please send in an updated report of your child's physical/immunization report for this school year.

Students in the fifth grade will be participating in postural screening to detect scoliosis. If you have any concerns or questions about this or any of the school screenings process, please feel free to contact Nurse Mudge directly at (781)319-3985.

As we enter spring, students have been encouraged to self-check frequently for Ticks after coming in from outside play.

PTO NEWS

Thank you to all who helped to shower the teachers and staff with love and appreciation this week - it truly is a wonderful week to show our gratitude for all that the staff does for the kids! HUGE thank you to all that donated gift cards, food and other items and kudos to Sarah Beck for once again taking charge and coordinating a beautiful week for the staff.

We are still in need of volunteers to assist with **Kindergarten screening on May 15, 22 and 25**. The screening will take place from 9:30-12 - if you are able to volunteer even a small block of time, please contact Alyssa at alyssamcqowan88@gmail.com.

We are still working towards recruiting board members for next year! Several people have expressed some interest in learning more about how PTO works and what it entails. We will be sending home a mail carrier with further information but PLEASE do not hesitate to reach out to any of us with any questions/ ideas/ concerns you may have in the interim. Without board members, PTO cannot successfully function! Thank you to Lacey Biviano for graciously volunteering to take on Box Tops coordinator position next year - for those that don't know this program (Box Tops) helps us generate money every year - often over a thousand dollars - but this COULD NOT GET done without the help of parent volunteers. Katie Fickeisen took on this tedious task for several years and we thank both she and Lacey for stepping forward. Remember, it takes a village!

As the school year winds down, we are already brainstorming new ideas for next year and hopeful to get some input from you, our members! We are hoping to plan a night out for adults in early June - simply a social to say thank you to those who have been so supportive and to toast the end of the school year. Please keep your eyes peeled for further information in the coming weeks.

Lastly, Jog-A-Thon is fast approaching. Thank you again to Sarah Guilfoyle for coordinating a wonderful event once again. If anyone is able to donate small Dixie cups for water, please reach out to us or leave in office marked "Jog-A-Thon." And huge thank you to all of the corporate sponsors of this year's Jog A Thon: FoodSquire (Joe Capone), Red Thread Leadership Academy (Tessa Gallant), Norwell Pediatric Dentistry, The Daily Dog, Quirk Automotive, South Shore Children's Dentistry, William Raveis Real Estate - Bonnie Bongiolatti, Century 21 Realty - Julie Walker, Stiles Law, Molisse Realty, Orthopedic Rehab Associates, SWISH camp/ Mr. Wheaton and Performance Electrical Contractors.
