PRINCIPAL'S NEWS

The staff and I want to thank Mrs. Beck and the PTO for all the amazing food, notes, prizes and gift cards for Teacher Appreciation Week. Everything was delicious and very thoughtful. It really made the week a lot of fun!

The end of the year is a busy time. There are many events such as field trips and presentations. Please check our website and calendar to stay current.

As a reminder, if you are planning on chaperoning a field trip and/or volunteering in the classroom or event you must fill out a CORI form and be approved. If you have not filled out a CORI form you must do it now in order to be approved to go on a field trip or volunteer in the classroom or event this spring. The form is available in the office.

The final PTO meeting is this Wednesday at 7:00pm in the Café. I hope you can join us.

Have a terrific week!

Nurses Corner

Spring has sprung and we've seen an increase in ticks. Please be vigilant in thoroughly checking your children & remind them also to self-check after coming in from outdoor activities, especially the lower extremities, hair/head region and behind the ears.

Flip flops are discouraged for safety reasons at recess. They can easily cause tripping, falls and contribute to many injuries at school.

5th graders will soon be participating in postural screening at school for early detection of scoliosis. If you have any concerns or questions about the process, or any of the school screenings, please call Nurse Mudge directly at 781-319-3985.
