June 16, 2018

PRINCIPAL'S NEWS

Last week was filled with lots of fun events. The Spring Concert was AMAZING. I want to thank Miss Genatossio, Miss Varonko, and Mr. Canzano. Field Day was a BLAST despite the rain shower. Huge Thank you to Mr. Wheaton, Mrs. Frenette, Miss Horsman, and Mrs. Craven for all their hard work.

This is our last full week of school. Please see the calendar to keep up to date. This Thursday we will recognize our 5th graders as they are leaving us to move to middle school. Ms. MacLachlan is retiring this school year. She will be missed, but we wish her the best!

SUMMER READING

Your child has worked hard to improve his/her reading skills this school year! During the summer it is very important your child continue to read on a daily basis. Experts agree that children who read during the summer maintain and may even gain reading skills, while those who do not often regress. This summer, in addition to daily reading, we are asking MES students to complete a reading challenge. Students entering grades 1, 2, and 3 are asked to complete the Reading Bingo Challenge. Students entering grades 4 and 5 will select a realistic fiction book to read for an in-school project in September. Check your child's report card envelope for my information on summer reading.

A quick look at this week's Main Menu:

- Mon. 6/11 – WW Pancakes w/Maple Syrup
- Tue. 6/12 – Meatball Sub on WW Roll
- Wed. 6/13 –Fruit Yogurt Smoothie
- Thu. 6/14 – Cereal Day
- Fri. 6/15 – WW Chicken Tenders on WW Wrap

PTO NEWS

HUGE thank you to Sarah Guilfoyle and Nicholette Catalano for coordinating this year's Jog A Thon!!! Thanks to their planning and efforts and the generous support of ALL MES families and many local businesses, we raised a record setting amount for MES. Mr. Wheaton has brand new gymnastics mats thanks to all of this support and we are able to give \$525 to the playground committee for some minor repairs/ upkeep and we are still discussing other options. Thank you to all the families for your support!

As the school year comes to a close, we would love to take this opportunity to extend a tremendous thank you to all of you in the MES community for all of your support this year and last year! We are a very fortunate community in that we have so many amazing volunteers - without whom there is no PTO. It has been wonderful to see some new faces volunteering this year and contributing in so many ways. We are still working on a few things to wrap up the school year and are open to any suggestions that you may have relative to how PTO could improve or how things could be done differently in the future.

SUMMER READING

The Marshfield Public Schools is pleased to announce a summer reading enrichment program for current kindergarten to grade two students. The program will focus on review and mastery of grade level reading skills including phonemic awareness, phonics, fluency, comprehension and vocabulary, in a small, structured setting. Planned activities will be dynamic, interactive and fun. For further information regarding session dates, time, location, fee, and to request a registration form, please contact Claire Langlois at clanglois@mpsd.org
