SUMMER READING

Your child has worked hard to improve his/her reading skills this school year! During the summer it is very important your child continue to read on a daily basis. Experts agree that children who read during the summer maintain and may even gain reading skills, while those who do not often regress. This summer, in addition to daily reading, we are asking MES students to complete a reading challenge. Students entering grades 1, 2, and 3 are asked to complete the Reading Bingo Challenge. Students entering grades 4 and 5 will select a realistic fiction book to read for an in-school project in September. Check your child's report card envelope for my information on summer reading.

Nurses Corner

As the school year comes to a close, I would like to extend a big "thank you" to MES families for all the donations, support and communication that keep the Nurse's office running smoothly and efficiently, I am truly blessed to be able to keep students healthy and ready to learn at school each day, and am grateful for such a wonderful community in which to work.

PTO NEWS

Hard to believe the school year is coming to a close! The entire PTO Board would like to extend a huge THANK YOU to all of the volunteers, parents, families, grandparents and loved ones who helped make the school year such a success. We are very fortunate to have such a supportive community! Through all of the fundraising efforts supported by YOU we have been able to purchase a ChromeBook cart, new gymnastic mats, pay for field trip busses, fulfill multiple teacher requests (recorders, shelving in library, etc.) and we were able to have a robust enrichment budget - all of which has a direct influence on our students, so THANK YOU.

As we wind down the school year, all members of the current board, with the exception of Meghan Hartwell (treasurer) will be moving on. Thank you for supporting us as we navigated this adventure! We are so happy to welcome new board members for the 2018-19 school year, Lacey Biviano, Kate Carr, Kerry Devin, Kelly Keough, Sue McGuigan and Tricia Moore. The new board is sure to do AMAZING things in the coming school year. Kudos to these parents for stepping forward and taking on this endeavor. Enjoy the summer and see you in the fall!!!

SUMMER READING

The Marshfield Public Schools is pleased to announce a summer reading enrichment program for current kindergarten to grade two students. The program will focus on review and mastery of grade level reading skills including phonemic awareness, phonics, fluency, comprehension and vocabulary, in a small, structured setting. Planned activities will be dynamic, interactive and fun. For further information regarding session dates, time, location, fee, and to request a registration form, please contact Claire Langlois at clanglois@mpsd.org
