Assistant Principal

September 2021

Dear Parents and Guardians,

Welcome to Martinson Elementary School! Our school is a PreK-5th grade school with approximately 500 students and 100 staff members. Our key mission is to ensure the safety, well-being, and growth of each child. This year we are focused on celebrating being proud of who we are and what makes us unique. We encourage both students and staff to support and encourage each other so that everyone can reach their highest potential.

Our theme this year is “You Always Measure Up”, which is based on the book *The Day You Begin* by Jaqueline Woodson. This theme highlights appreciating your individuality and the qualities that make you unique while also promoting empathy and kindness toward others. This theme also reminds us that we should not measure ourselves against others. Be yourself and you’ll always measure up!

We want YOU to be part of our school too. There are many ways to be involved in all the exciting things that happen here. Our MES PTO works hard to enhance our students’ academic experiences through sponsoring enrichment activities, providing funding for buses and field trips and help build a sense of community through numerous events throughout the school year. Our School Council, an advisory group comprised of teachers, parents and community members, is another great way to be involved with our school community. This year we will need to elect two parent representatives to serve on the council. There are many other volunteer opportunities at MES, and we would love for you to be involved.

To keep up with all the amazing activities happening at our school, we have a variety of ways in which we reach out to our families. Please refer to our Marshfield Public School Website for current information. We also provide a weekly newsletter, and we are on Twitter and Facebook. Be sure to check all of these sources on a weekly basis to keep up to date on all our current events.

If I can be of any assistance, please contact me at jcotreau@mspd.org. I look forward to a wonderful year.

Warmest Regards,

Jill Cotreau, M. Ed.
