From The Principal:

I am not sure where to begin with all that is going on. There are many challenges in each of our lives. I definitely feel battered at this point. Please be sure to carefully read the information being shared from the district to be sure you are up to date as things change throughout the year. At this moment we anticipate returning to the Hybrid Schedule on Tuesday, Jan. 19th. We are looking forward to having our students back with us in their Cohorts. I am very proud of our learning community for how well the transition to this remote learning phase has been. Thanks to the careful planning of our staff and the flexibility of our students and families. Transitions are difficult but we will continue to work together, support each other and breathe. We are always here to help in anyway that you may need. Please reach out to our staff and to me any time dsylvestre@mpsd.org.

I would like to sincerely wish you and your family a most hopeful and Happy New Year. May 2021 be a year that we can heal together.
