

EAMES WAY SCHOOL

All students are invited to participate in our summer reading program. Print out a copy of the reading log and BINGO sheet. Have your student print their first/last name on the top.

As your child completes a book, please add it to the log. The goal is to complete a full page or a full row on the BINGO sheet over the summer months.

When your child returns to school please sign the log and return it to Mrs. Clancy. By returning the log or BINGO sheet they will be eligible for several fun prizes to reward their summer reading efforts.

Happy Reading!
