

# Snow Recess Guidelines

Winter 2019

During snow season the Staff would like to allow students dressed for snow to have a “snow recess” when it is deemed safe. This will be done on (M-T-W-F ). If you would allow your child to participate please note that ALL of the following will be followed:

Jan 2019

## STUDENTS

### *If I participate in Snow Recess I will:*

- Follow the directions given by the Staff on duty.
- Wear my boots, mittens, hat and snow pants so I can play in the snow.
- Make sure snow stays on the ground unless I am making a snowman, not snowballs.
- Make sure I do not slide on any icy spots.
- Make sure I do not climb any snow-mountains made by plows.
- Stay off of the structures, swings, and train as they are closed on snow recess days.

## PARENTS:

Students will not participate in snow recess for the remainder of recess if s/he does not follow the outline above.

If any student is spoken to a 2<sup>nd</sup> time, a note will be sent home explaining why the student could not participate in the next “snow recess”.

Thank you for your cooperation and attention to the above.

Sincerely,  
The EWS Staff
