

Start with Hello

September 23 - September 27, 2019

DISTRICT-WIDE INITIATIVE

“Start with Hello” is a program designed by Sandy Hook Promise to create a more inclusive and connected community to help prevent violence by decreasing social isolation. Join us in making all students and faculty feel part of our Marshfield Public Schools community by participating in the following:

Monday 9/23 - “Just say Hello” All students and faculty will wear name tags during the school day. Name tags will be given out during homeroom. Say “hello” by addressing others by name.

Tuesday 9/24 - “Technology & Social Media free” Faculty and students are challenged to give up social media for the day. Limit technology infused lessons where possible.

Wednesday 9/25- “Favorite t-shirt day” Wear your favorite t-shirt and learn more about others by asking about their t-shirt choice. Determine common interests faculty might have with students.

Thursday 9/26 - “Gratitude Day” In homeroom, all students and faculty will be encouraged to sign gratitude posters. All posters will be displayed in a main hallway.

Friday 9/27 - “MPSD spirit day” Students and faculty are encouraged to wear Marshfield colors (green and white). Wear your Marshfield gear!
