

**Eames Way School**

## **SUMMER READING 2019**

Your child will receive a Summer Reading BINGO sheet.  
Please have them print their name at the top (first and last name.)  
As your child completes any of the wonderful activities listed on the sheet they can color in that square of the BINGO chart. The goal is to complete a full row, across, down or diagonal during the months of July and August.  
When your child returns to school in September please sign the bottom of the completed BINGO chart and send it in to school with your student.  
When the student turns it into Mrs. Clancy they will be *eligible* for several fun prizes to reward their summer reading efforts.

Happy Reading,
