Eames Way School Families:

**KINDERGARTEN SCREENINGS:** Please note that **Kindergarten Screenings** for our incoming kindergarteners will be rescheduled when school re-opens. If you know a family that does not have a child at EWS yet, please pass this information along and if you know of a new family to our district that hasn't registered for K yet please have them email Karen Admirand at EWS, [kadmirand@mpsd.org](mailto:kadmirand@mpsd.org)

**PARENT-TEACHER CONFERENCE AFTERNOON:** There will be one remaining conference time with teachers on Thursday, May 21<sup>st</sup> from 1:30-3:30, via phone. Please see the attached notice with link to PTCFast, your conference scheduler.

**HIGH SCHOOL SENIORS:** Please recognize with us the significant accomplishments of our graduating Class of 2020. We are asking our community to **join in recognizing the Class of 2020 efforts by holding a week-long "Community Lighting" starting May 22 thru June 1, 2020.** The event entails our homes being decorated **with green and white Christmas lights** to say to our Class of 2020, **"well done!"** This is a chance for our families to put words into action as we celebrate that "We Are Marshfield." Please plan accordingly and on the evening of May 22 – light your home and say **well done.** Principal Keuther

### **OTHER:**

Thank you to everyone that came to school last TH and Friday to pick-up student belongings and materials. Those helping to distribute to families were thrilled to see everyone and give each other well wishes. All went extremely smoothly!

We will continue to feature our remote learners hard at work, please forward us pictures of your student (s) and we will be happy to share on the EWS Twitter page

which is a locked site-members only- to protect our students and staff. Also, we will continue to share submissions for the various Fun Friday activities with everyone. We would love to see a picture if you participated! Please send to: [bcampia@mpsd.org](mailto:bcampia@mpsd.org)

All of us at EWS are here to provide support in any way that we can, just reach out to those working with your student(s). We miss everyone, let's be safe, stay healthy and remember, we are better working together! **#EWSstrong**

**Support:**

Using some of the questions we received from families last week, we have created a FAQ resource to help you support your child with the use of Canvas and embedded Google assignments. Here you can find screencasts and how to guides for using Google Read & Write (text-to-speech & speech-to-text tool), assignment workflow and tool tips, as well as check-in discussion tips.

The site can be accessed [here on our Community of Learning Family Resource Page](#)Links to an external site.
