The Marshfield School Committee and MPSD Leadership team are excited to begin the process to select the district's 4th **Wall of Honor** induction class. The purpose of this honor is to foster pride in our system through recognition of individual achievement of former students, teachers, coaches/advisors, administrators, school committee members and friends of the Marshfield Public Schools.

Voted on four years ago by the School Committee, the **Wall of Honor** looks to “honor people of exemplary moral character who have made an outstanding contribution to the school community or education, over a period of time; or have accomplished exemplary achievement; or have displayed outstanding leadership.” Last year's inductees were Jean Moriarty, Frederick Podbelski, and Carol Shrand.

“Any faculty/administrator/school committee members or school volunteers/supporters who have not worked in the Marshfield Public School district for **at least three (3) years or more, and /or students who have been graduated for three (3) years or more** are eligible to be considered for nomination. Any member of the Marshfield community or Marshfield school community may nominate a candidate.”

To assist with the Wall of Honor process, the **Wall of Honor Subcommittee** was created and that group of individuals is responsible for deliberating over each nominee's qualifications and making a final determination on this year's Honorees. This subcommittee consists of the Superintendent, two members of the community, two school committee members, two teachers and a building principal.

“Nominations should be made by letter (and/or by attached nomination form) stating the individual's accomplishments and the nominator's reasons for support of the nomination. Vitae of the nomination should accompany the letter.” To make the process a bit more efficient, we have created a google document on which you can submit your nomination and upload any additional information.

The deadline for submitting a nomination letter is **4:00 PM, Friday, October 15, 2021**. Questions can be directed to WallOfHonor@mpsd.org.

Candidates who have already been nominated will remain in the pool for three additional years after their initial nomination.

Once the **Wall of Honor** class of 2021 is selected, those individuals will be notified and we will look to schedule an event to honor them later in the year.

Sincerely,

MPSD Wall of Honor Subcommittee
