Good afternoon MPSD students, families and staff,

I hope this finds you well. Attached you will find two documents. One is a brief update on today's announcements from the Commissioner of Education, Jeffrey Riley, and Governor Baker on new masking expectations for the fall of 2021.

In addition, I have attached the joint memo from the Department of Public Health (DPH) and the Department of Elementary & Secondary Education (DESE) outlining the aforementioned masking advisory.

We will keep you updated on any revisions to the current expectations moving forward in the upcoming weeks.

Thank you and have a great weekend.

Sincerely,

Jeffrey W. Granatino

Superintendent
