Marshfield High School Joins the Patriot League

The Marshfield Public School District is thrilled to announce that Marshfield High School (MHS) has been voted in as a full member of the Patriot League. We want to thank the Patriot League Principals and Athletic Directors for their support. MHS Principal, Robert Keuther exclaimed, “It is an honor to join the league and we look forward to participating alongside some of the most successful and well-respected athletic programs in the Commonwealth.”

Since the elimination of the Atlantic Coast League last spring, Marshfield High School has been playing an independent schedule. The Patriot League was gracious enough to allow MHS to participate in a pilot program where they scheduled numerous non-league games with Marshfield over the past year.

Interim Athletic Director, William Batts, noted that, “Joining the Patriot League means so much to our student/athletes and their families. This is a tremendous league and our teams will get a chance to compete against nearby schools whose student/athletes typically play with and against them in the offseason.”

Superintendent of Schools, Jeffrey Granatino, added that, “We are so thankful to the leadership of the Patriot League for having faith in us. The Patriot League is a special group of schools who share many of the same values that we promote in Marshfield. It’s a great match for us and we are excited about becoming a positive and productive member of the league.”

Marshfield will continue to play an independent schedule for the upcoming Winter and Spring seasons and will begin league play in the Patriot League’s Keenan Division, in the Fall of 2020.
