Dear MPSD Families & Staff. Happy New Year's Eve.

I hope this finds you healthy and well. In the link below, you will find an update on some of the changes that have been brought forth this week by DESE/DPH related to COVID-19 Protocols for school districts across the Commonwealth.

There is additional information related to the district and I hope you find it helpful as we get ready to return to school on Monday.

I wish you all a happy and healthy New Year.

Sincerely,

Jeffrey W. Granatino
