

STUDENT DRESS CODE

The responsibility for the dress and appearance of the students will rest with individual students and parents.

They have the right to determine how the student will dress providing that attire is not destructive to school property, complies with requirements for health and safety, and does not cause disorder or disruption. The administration is authorized to take action in instances where individual dress does not meet the stated requirements. Each school's handbook contains specific guidelines for appropriate dress.

This does not mean that student, faculty, or parent groups may not recommend appropriate dress for school or special occasions. It means that students will not be prevented from attending school or a school function, or otherwise be discriminated against, so long as their dress and appearance meet the requirements set forth above.
