

PRIVATE SCHOOLS

In accordance with state law, the School Committee will approve a private school when it is satisfied that the instructional program of the school equals that of the town's public schools in thoroughness, efficiency, and progress made.

The Committee recognizes that many worthwhile contributions are made to this community by parochial and other private schools. Therefore, it will cooperate with these schools in matters of mutual benefit when this cooperation is not expressly prohibited by law.

Marshfield's School Committee and Superintendent will review and approve the program's application for approval pursuant to M.G.L 76, Section 1. The Procedural; Guidelines for Private Schools checklist can be obtained from the Superintendent of Schools.
